Network Analysis Colloquium

15.04.2017

Karaseva Ksenia

- The aim was to compare networks of the film and the original graphic novel
- It would be interesting to analyze clusters in each graph

Problems

1. It is not always clear when and how to count connections

Diaries?

Memories?

‘Story
illustrations’?

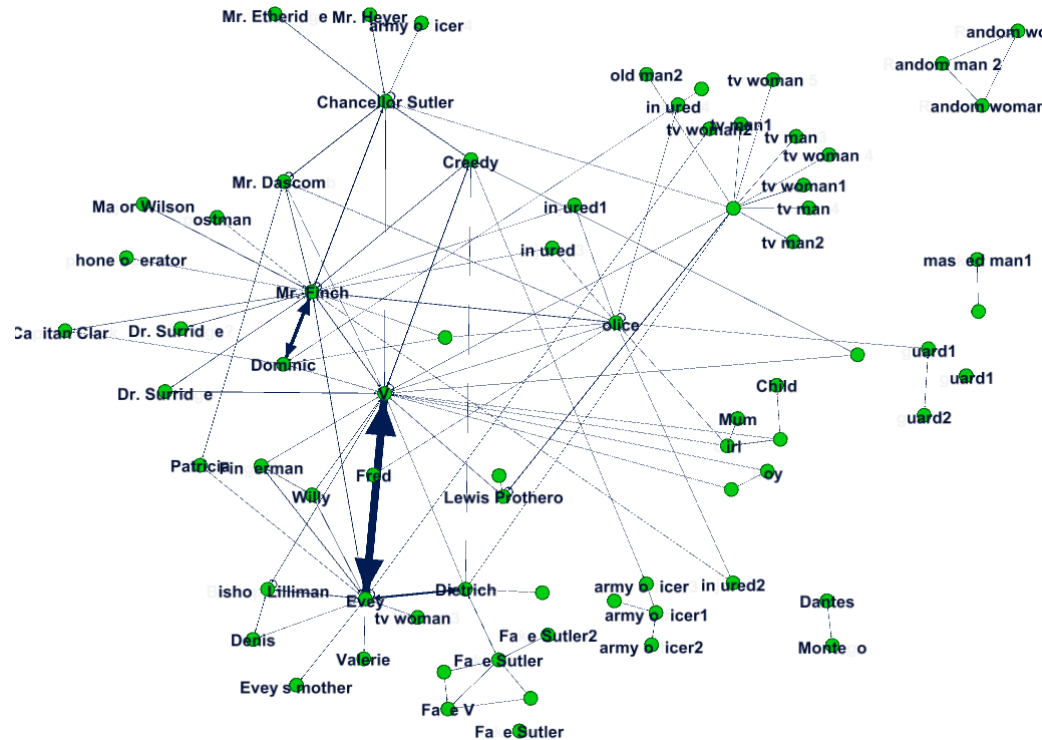

TV shows?

News?

Indirect speech?

2. Gephi layouts: hope this time there will be no mess...

2. Gephi layouts: hope this time there will be no mess...

**Thank you for your
attention!**
